Dear Parent/Carer

I am writing to you as a reminder that the Nursery will close for the Summer term on  
**Thursday 17 July.**

School will re-open to existing Nursery learners on **Wednesday 3 September**. We are pleased to confirm that Mrs Kugi will continue to teach your child in September, along with support staff.

We would also like to inform you of an exciting change taking place in September. Our nursery will be relocating to a new space closer to the main school building. This move is part of our continued efforts to provide a seamless transition through the Early Years Foundation Stage and to strengthen the connection between the nursery and the wider school community.

From September, the nursery classroom will be located next to the current FS2 building. Drop-off and pick-up will be via the ramp near the main school office, which will provide easier access.

To help support your child with this change, we will be sharing photos of the new classroom space on Tapestry during the summer holidays. These pictures can be a helpful tool to talk through the move with your child and familiarise them with their new environment before the new term begins.

We are confident that this new location will be a positive step forward for our nursery and will help further enhance your child's learning experience. If you have any questions or concerns, please do not hesitate to get in touch with us.

Thank you for your continued support.

Yours faithfully

Mrs M Preston  
Head of School
