12 June 2025

Secondary – Bishop Burton Trip

Dear parent / carer

As part of our careers programme of activities, we are pleased to be able to offer your child the opportunity to attend a day of interactive activities to help students visualise their future career path, taking place at the Bishop Burton Sustainable Futures Taster Event on **Friday 27 June 2025**.

Sustainable Futures launched last year and after a successful event, Bishop Burton are offering the opportunity for students to attend the College again this year and take part in hands-on activities in all the courses delivered at the College including Animal, Engineering, Construction, Public Services, Health & Social Care, Agriculture to name a few.

The aim of the event is to inspire students and showcase the many different careers available in the land, environmental, animal and linked sectors. Please find highlights of last year's event [here](#).

Travel to and from the venue will be via the school minibus, which will leave the school site at approximately 9.00am and will return for 1.15pm, traffic depending so that students can access the late lunch break. School uniform must be worn on the day.

Whilst there is no cost to you for this visit, your consent will still be required for your child to attend. The deadline for this is **12.30pm on Tuesday 24 June 2025**. To do this, please log into the portal and search for Activities/Trips. By doing this, you are consenting to your child attending this trip.

Yours sincerely

Hayley Lawes
Careers Leader
