

# Email to parents

Dear Parents and Carers

We are excited to welcome your child as they begin their transition into school. To help them settle in and create a sense of belonging, we would love for each child to bring a family photo to share with their new class. This photo will be displayed in the classroom, helping learners stay connected to home while they are at school.

Please send your child with their family photo on their transition visit. If you prefer, you are welcome to email the photo to us, and we'll print it for you,. Please send to [ppsoffice@hessleacademy.com](mailto:ppsoffice@hessleacademy.com).

Thank you for your support in creating a warm and welcoming environment. We look forward to meeting you and your child soon!

Kind regards  
EYFS Team
