

# Email to parents

Dear parent / carer

Each day, several items of student property are handed in but never claimed by students, nor can they be returned because they do not have student names on them. This 'lost property' soon accumulates and the replacement of it will inevitably cost families to replace.

We will be holding a lost property event on **Monday 10 & Tuesday 11 March**, taking place between **3.00pm and 4.00pm** in the canteen (which can be accessed via reception).

Any lost property which remains unclaimed will be donated to charity.

Kind regards

Hessle High School & Sixth Form College
